

# CODE OF CONDUCT- summary

Updated: 11/2022

*The Code of Conduct is a document that define the basic values and ethical principles of our company and the basic rules of behaviour of all employees. Compliance with the rules of the Code of Conduct is regularly monitored during meetings of the company's departments.*

*The Code of Ethics is part of the company directive PS 255/2018, which is obligatory for all employees, and it is the duty of every employee to become acquainted with it and act according to its content. This document does not replace the directive but provides only basic information about the directive, the directive's content and the basic company values.*
